AN ACT relating to public safety; revising provisions relating to prohibited acts concerning the use of marijuana and the operation of a vehicle or vessel; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law provides that it is unlawful for any person to drive or be in actual physical control of a vehicle on a highway or on premises to which the public has access if the person is under the influence of a controlled substance or has certain specified amounts of a prohibited substance in his or her blood or urine, including marijuana and marijuana metabolite. (NRS 484C.110) **Section 1** of this bill removes the specified amounts of marijuana and marijuana metabolite in a person’s urine, thereby providing that the amount of marijuana or marijuana metabolite in a person’s system can only be measured through his or her blood. **Sections 2 and 6** of this bill make the same changes to similar provisions of existing law relating to a person driving or being in actual physical control of a commercial motor vehicle on a highway or on premises to which the public has access or operating or being in actual physical control of a vessel under power or sail on the waters of this State, respectively. **Sections 3-5 and 7-17** of this bill make conforming changes.

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.
