**Legislative Counsel’s Digest:**

Existing law authorizes the Commissioner of Insurance to regulate insurance in this State. (NRS 679B.120) This bill adds to, revises and repeals various provisions of existing law, primarily in title 57 of NRS, relating to the regulation of insurance in this State.

**Sections 2-13** of this bill authorize the Commissioner to place an insurer under administrative supervision and set forth the requirements for such supervision. **Section 6** authorizes the Commissioner to place an insurer under administrative supervision under specified circumstances, including, without limitation, when the insurer is in a hazardous financial condition, when the insurer appears to have exceeded its powers or if an insurer agrees to be placed under such supervision. **Section 6** further provides for the duration of the administrative supervision and the release of the insurer from administrative supervision. **Section 7** designates the Commissioner or an appointee thereof as the administrative supervisor of an insurer under administrative supervision, authorizes the Commissioner to limit the actions of such an insurer and lists various types of actions which the Commissioner may prohibit the insurer from taking without obtaining advance approval from the Commissioner or appointee. **Sections 3 and 4** define, for the purposes of **sections 2-13**, the terms “Commissioner” and “insurer.” Both terms are currently defined for the purposes of existing law, but **sections 3 and 4** provide more expansive definitions for the purposes of **sections 2-13**. (NRS 679A.060, 679A.100) **Section 5**

expressly makes **sections 2-13** apply to insurers and other persons, including, without limitation, a person purporting to be an insurer, organizing to be an insurer or holding himself or herself out as organizing to be an insurer. **Section 8** governs the use and confidentiality of information relating to the administrative supervision of an insurer. **Section 9** establishes provisions governing the contesting or reviewing of decisions made by the Commissioner or an appointee thereof pursuant to **sections 2-13**. **Section 10** ensures that the Commissioner may institute delinquency proceedings against an insurer without regard to whether the insurer is or was under administrative supervision. **Section 11** authorizes the Commissioner, a designee of the Commissioner and an attorney or other persons to meet, for specified purposes, outside the presence of other persons. **Section 12** authorizes the Commissioner to adopt regulations and to employ various persons to carry out the administrative supervision of an insurer. **Section 12** further authorizes the Commissioner to require the insurer under administrative supervision to pay the compensation and expenses of the persons the Commissioner appoints and employs for the purposes of the administrative supervision. **Section 13** provides that the Commissioner and his or her employees and agents are not liable for actions taken pursuant to **sections 2-13**.

**Section 14** of this bill revises the information the Commissioner is required to collect regarding closed claims for medical malpractice. (NRS 679B.144) **Sections 117 and 118** remove the requirement to report certain information regarding closed claims for medical malpractice. (NRS 690B.250, 690B.260) **Section 119** of this bill revises requirements concerning professional liability insurance for essential medical specialties. (NRS 690B.350) **Section 120** of this bill revises requirements concerning information to be gathered and reports to be provided by the Commissioner concerning medical malpractice insurance. (NRS 690B.360)

**Sections 15, 21, 26, 27, 29-32, 164 and 165** of this bill replace various references to insurance agents, brokers and solicitors, which are undefined terms, with the term “producer of insurance,” which is defined as “a person required to be licensed under the laws of this state to sell, solicit or negotiate insurance.” (NRS 679A.117)

**Section 16** of this bill requires an insurer to which the Commissioner has issued a certificate of authority to notify the Commissioner of material changes to the information provided by the insurer to the Commissioner in the insurer’s application for a certificate of authority. **Section 18** of this bill authorizes a life insurer or multiple lines insurer to issue life or health insurance policies under its own name and under additional titles. (NRS 680A.240)

Existing law requires an authorized insurer annually to file with the Commissioner a full and true statement of the insurer’s financial condition, transactions and affairs as of the previous December 31 and makes confidential certain information submitted to the Division of Insurance of the Department of Business and Industry. (NRS 680A.270) **Section 19** of this bill expands the confidentiality provision to include all work papers, documents and materials prepared for the purpose of submitting the statement or by or on behalf of the Division. **Section 19** also authorizes the insurer to file, as an exhibit separate from the annual statement, specified disclosures of compensation paid to or on behalf of an insurer’s officers, directors or employees and makes such information confidential.

**Section 20** of this bill expands the applicability of the monetary penalty required to be imposed for a delay by an insurer in properly filing an annual statement. (NRS 680A.280) **Section 24** of this bill narrows the definition of the term “managing general agent” to include the management of an underwriting office. (NRS 683A.060) **Section 25** of this bill removes the willfulness requirement

from one of the grounds for which the Commissioner may suspend or revoke the certificate of registration of an administrator and replaces it with a knowingly requirement. (NRS 683A.0892) **Section 33** of this bill revises the duties of an insurer with regard to the use of information in a consumer credit report. (NRS 686A.680)

**Section 22** of this bill authorizes the Commissioner to adopt regulations governing certain arrangements for reinsurance, including, without limitation, the amounts and forms of security which must be held pursuant to those arrangements.

**Section 28** of this bill provides for the automatic suspension of the license of a motor vehicle physical damage appraiser if the appraiser does not file a replacement bond for a required surety bond in the event of the cancellation of the required surety bond. (NRS 684B.030) **Section 86** of this bill revises provisions governing the cancellation, nonrenewal or increase in premiums for renewal of a policy of motor vehicle insurance as the result of the filing of certain claims. (NRS 687B.385)

**Section 35** of this bill defines the term “large-deductible agreement” as certain agreements in which the policyholder must bear the risk of loss of a specified amount of \$25,000 or more per claim or occurrence covered under the policy of industrial insurance. **Section 38** of this bill requires full collateralization of the outstanding obligations owed under a large-deductible agreement and limits the size of the policyholder’s obligations under the large-deductible agreement. **Section 39** of this bill generally prohibits an insurer from issuing or renewing a policy of industrial insurance which includes a large-deductible agreement if the insurer is in a hazardous financial condition. **Section 37** of this bill limits the applicability of **sections 38 and 39** to policies of industrial insurance with large-deductible agreements which are issued by insurers with both ratings below specified levels and surpluses below specified amounts. **Section 37** further specifies that **sections 38 and 39** only apply to policies of industrial insurance issued or renewed on or after January 1, 2018, and which are not issued to a governmental entity. **Section 166** of this bill revises the definition of the term “tangible net worth” in relation to industrial insurance, specifically self-insured employers and associations of self-insured employers. (NRS 616A.330)

Existing law provides for the Commissioner to consider each proposed increase or decrease in the rates of various kinds and lines of insurance. (NRS 686B.070) **Section 36** of this bill creates new procedures for the Commissioner to consider each proposed increase or decrease in the rates of health plans for individual health insurance, group and blanket health insurance, health insurance for small employers, nonprofit corporations for hospital, medical and dental services, health maintenance organizations, plans for dental care and prepaid limited health service organizations. **Section 44** of this bill clarifies that the existing procedures for considering a proposed increase or decrease do not apply to the insurers subject to the provisions of **section 36**. (NRS 686B.110)

**Sections 88 and 89** of this bill revise existing provisions relating to health benefit plans by specifying that the group market and small group market being considered in these provisions must be the “small employer” group market. (NRS 687B.490, 687B.500)

**Sections 51-85** of this bill establish provisions governing network plans. **Section 60** defines a network plan as a health benefit plan offered or issued by a health carrier under which the financing and delivery of health care services are provided, in whole or in part, through a defined set of providers of health care under contract with the health carrier. **Sections 52-59 and 61-64** define other terms for the regulation of network plans. **Section 65** requires a health carrier to comply with and ensure that network plans and related contracts comply with **sections**

**51-85. Sections 66, 71, 79, 81 and 84** require a health carrier to provide for notice to providers of health care concerning: (1) covered services; (2) the health carrier's policies and programs; (3) the providers' obligations to collect payments; (4) determinations of coverage; and (5) the inclusion of and status of a participating provider in the network plan. **Sections 67, 68, 70, 74 and 77** require a contract between a provider of health care and a health carrier to contain provisions which: (1) prohibit the provider from collecting excess amounts from covered persons; (2) require the continuation of health care services in the event of cessation of the operations of the health carrier; (3) require that written notice be provided to a participating provider of health care in certain circumstances; (4) require the provider to make health care records available under certain circumstances; and (5) prohibit the assignment or delegation of rights under the contract. **Section 69** provides that specified provisions in a contract between a provider of health care and a health carrier must be construed in favor of the covered person. **Section 72** prohibits a health carrier from offering inducement to a provider of health care to provide health care services which are less than medically necessary. **Section 73** requires that a health carrier allow a provider of health care to discuss all treatment options with a covered person and advocate for the covered person. **Section 78** governs the furnishing of covered services to all covered persons. **Section 80** prohibits a health carrier from penalizing a provider of health care who reports to state or federal authorities certain practices of the health carrier. **Section 82** requires a health carrier to establish procedures for dispute resolution between a provider of health care and the health carrier. **Section 83** prohibits a contract between a provider of health care and a health carrier from containing any provision which conflicts with the network plan or with any provision of **sections 51-85**. **Section 85** authorizes the Commissioner to adopt regulations to carry out **sections 51-85**.

**Section 90** of this bill provides for the automatic suspension of the certificate of authority of a seller of prepaid contracts for funeral services if the seller does not file a replacement bond for a required surety bond in the event of the cancellation of the required surety bond. (NRS 689.185) **Section 91** of this bill similarly provides for the automatic suspension of the permit of a seller of prepaid contracts for burial services if the seller does not file a replacement bond for a required surety bond in the event of the cancellation of the required surety bond. (NRS 689.495)

**Section 92** of this bill provides, with certain exceptions, that unified rate review templates and rate filing documentation of individual carriers are considered proprietary, constitute a trade secret and are not subject to disclosure by the Commissioner. **Sections 98, 110, 112 and 114** of this bill remove the notice requirement regarding the discontinuance of a product: (1) of a health benefit plan; (2) of group health insurance; (3) offered to small employers; and (4) offered to small employers or purchasers through a voluntary purchasing group. (NRS 689A.630, 689B.560, 689C.310, 689C.470) **Sections 109, 113 and 134** of this bill remove the requirement that certain policies of group health insurance, health benefit plans and group contracts for hospital, medical or dental services include a provision regarding the point at which an insured's payment of coinsurance for a provider of health care who is not preferred is no longer required to be paid. (NRS 689B.061, 689C.350, 695B.185)

**Section 111** of this bill deletes provisions governing the determination of whether an employer is small or large, and the applicability of other provisions after an employer is deemed large. (NRS 689C.111)

**Sections 122-124 and 127-129** of this bill revise provisions relating to service contracts which are contracts pursuant to which a provider is obligated to the purchaser of the service contract to repair, replace or perform maintenance on, or indemnify or reimburse the purchaser for the costs of repairing, replacing or

**Section 130** of this bill deletes a requirement that the Commissioner is required to adopt regulations relating to reasonable rates for credit personal property insurance. (NRS 691C.390)

**Sections 132 and 142** of this bill require nonprofit corporations for hospital, medical or dental service and health maintenance organizations to contract with an insurance company to provide insurance, indemnity or reimbursement against the cost of services provided and sets forth requirements relating to the payment of claims made to insureds or enrollees, as applicable, in the case of the insolvency or impairment of such corporation or organization.

Existing law sets forth provisions regarding the insolvency of nonprofit corporation for hospital, medical or dental service. (NRS 695B.150) **Section 133** of this bill expands the requirements for determinations concerning the insolvency of such a corporation, adds provisions concerning the impairment of such a corporation and authorizes the Commissioner to adopt regulations concerning a determination that such a corporation is in a hazardous financial condition. **Sections 143, 152 and 156** of this bill establish similar provisions for health maintenance organizations, organizations for dental care and prepaid limited health service organizations.

~~1-4~~ **(d)** Take an adverse action against an applicant or policyholder based on the applicant or policyholder not having a credit card account unless the insurer also considers other applicable factors independent of credit information.

~~1-5~~ **(e)** Consider an absence of credit information or an inability to calculate an insurance score in underwriting or rating a policy unless the insurer does any one of the following:

~~1-a~~ **(1)** Treats the applicant or policyholder as otherwise approved by the Commissioner, after the insurer presents to the Commissioner information indicating that such an absence or inability relates to the risk for the insurer.

~~(7.—Except as otherwise provided in this subsection, use credit information regarding a policyholder without obtaining an updated consumer credit report regarding the policyholder and recalculating the insurance score at least once every 36 months. At the time of the annual renewal of a policyholder’s policy, the insurer shall, upon the request of the policyholder or the policyholder’s agent, reunderwrite and rerate the policy based upon a current consumer credit report or insurance score. An insurer need not, at the request of a policyholder or the policyholder’s agent, recalculate the insurance score or obtain an updated consumer credit report of the policyholder more frequently than once in any 12-month period. An insurer may, at its discretion, obtain an updated consumer credit report regarding a policyholder more frequently than once every 36 months, if to do so is consistent with the underwriting guidelines of the insurer. ~~—(a) The insurer is treating the policyholder as otherwise approved by the Commissioner.~~

~~—(b) The policyholder is in the most favorably priced tier of the insurer and all affiliates of the insurer. With respect to such a policyholder, the insurer may elect to obtain an updated consumer credit report if to do so is consistent with the underwriting guidelines of the insurer.~~

~~—(c) Credit information was not used for underwriting or rating the policyholder when the policy was initially written. The fact that credit information was not used initially does not preclude an insurer from using such information subsequently when underwriting or rating such a policyholder upon renewal, if to do so is consistent with the underwriting guidelines of the insurer.~~

~~—(d) The insurer reevaluates the policyholder at least once every 36 months based upon underwriting or rating factors other than credit information.~~

~~8.1~~ (g) Use the following as a negative factor in any insurance scoring methodology or in reviewing credit information for the purpose of underwriting or rating a policy:

**Sec. 35.** *“Large-deductible agreement” means any combination of one or more policies, endorsements, contracts or security arrangements, which provide for the policyholder to bear the risk of loss of a specified amount of \$25,000 or more per claim or occurrence covered under a policy of industrial insurance and which may be subject to an aggregate limit of the policyholder's reimbursement obligations.*

**Sec. 36.** *1. The Commissioner shall consider each proposed increase or decrease in the rate of a health plan issued pursuant to the provisions of chapter 689A, 689B, 689C, 695B, 695C, 695D or 695F of NRS, including, without limitation, long-term care and Medicare supplement plans, filed with the Commissioner pursuant*

*to subsection 1 of NRS 686B.070. If the Commissioner finds that a proposed increase will result in a rate which is not in compliance with NRS 686B.050 or subsection 3 of NRS 686B.070, the Commissioner shall disapprove the proposal. The Commissioner shall approve or disapprove each proposal not later than 60 days after the proposal is determined by the Commissioner to be complete pursuant to subsection 4. If the Commissioner fails to approve or disapprove the proposal within that period, the proposal shall be deemed approved.*

*2. Whenever an insurer has no legally effective rates as a result of the Commissioner's disapproval of rates or other act, the Commissioner shall on request specify interim rates for the insurer that are high enough to protect the interests of all parties and may order that a specified portion of the premiums be placed in an escrow account approved by the Commissioner. When new rates become legally effective, the Commissioner shall order the escrowed funds or any overcharge in the interim rates to be distributed appropriately, except that refunds to policyholders that are de minimis must not be required.*

*3. If the Commissioner disapproves a proposed rate pursuant to subsection 1, and an insurer requests a hearing to determine the validity of the action of the Commissioner, the insurer has the burden of showing compliance with the applicable standards for rates established in NRS 686B.010 to 686B.1799, inclusive, and sections 35 to 39, inclusive, of this act. Any such hearing must be held:*

*(a) Within 30 days after the request for a hearing has been submitted to the Commissioner; or*

*(b) Within a period agreed upon by the insurer and the Commissioner.*

*↳ If the hearing is not held within the period specified in paragraph (a) or (b), or if the Commissioner fails to issue an order concerning the proposed rate for which the hearing is held within 45 days after the hearing, the proposed rate shall be deemed approved.*

*4. The Commissioner shall by regulation specify the documents or any other information which must be included in a proposal to increase or decrease a rate submitted to the Commissioner pursuant to subsection 1. Each such proposal shall be deemed complete upon its filing with the Commissioner, unless the Commissioner, within 15 business days after the proposal is filed with the Commissioner, determines that the proposal is incomplete because the proposal does not comply with the*

*regulations adopted by the Commissioner pursuant to this subsection.*

**Sec. 37.** *This section and sections 38 and 39 of this act apply to any policy of industrial insurance which:*

*3. Is not issued to a federal, state or local governmental entity; and*

*4. Is issued for delivery or renewed on or after January 1, 2018.*

Best Company, Inc., are not less than "A" and "V," respectively, or are substantially equivalent ratings from another rating agency, as determined by the Commissioner;*

*(b) An irrevocable letter of credit issued by a financial institution with an office physically located within this State, and the deposits of which are federally insured; or*

*(c) Cash or securities held in trust by a third party or the insurer and subject to a trust agreement for the express purpose of securing the policyholder's obligation under a large-deductible agreement, provided that if the assets are held by the insurer, those assets may not be commingled with the insurer's other assets; and*

*2. Limit the size of the policyholder's obligations under a large-deductible agreement to 20 percent of the total net worth of the policyholder at the inception of the policy and again at each renewal, as determined by an audited financial statement as of the most recent fiscal year-end for which such a statement is available, with the total net worth of the policyholder calculated as the difference between the total assets and the total liabilities of the policyholder.*

**Sec. 39.** *Except when otherwise specifically approved by the Commissioner in writing or by electronic communication, any insurer determined to be in a hazardous financial condition pursuant to NRS 680A.205, or the equivalent provisions of law in any other state as determined by the Commissioner, is prohibited from issuing or renewing a policy that includes a large-deductible agreement.*
