

CHAPTER.....

AN ACT relating to administrative regulations; revising provisions governing notice requirements under the Nevada Administrative Procedure Act; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

The Nevada Administrative Procedure Act requires each agency of the Executive Department of State Government that is not exempt from the Act to provide 30 days’ notice of its intended action before holding a hearing on any proposed permanent or temporary regulation. Such an agency is required to give such notice on a proposed permanent regulation after the agency has received the approved or revised text of the proposed permanent regulation from the Legislative Counsel. (NRS 233B.060) **Section 1** of this bill requires an agency to post the regulation to be considered at the hearing on the Internet website of the agency 3 working days before the hearing.

Existing law does not specify the notice required when a proposed regulation receives a second or subsequent hearing to consider further revisions. **Section 1** requires an agency to provide at least 3 working days’ notice of its intended action before holding a second or subsequent hearing on a regulation.

Existing law requires an agency, before holding a public hearing on a proposed regulation, to conduct at least one workshop to solicit comments from interested persons on one or more general topics to be addressed in a proposed regulation. (NRS 233B.061) **Section 2** of this bill provides that such a workshop is not required if it is the second or subsequent hearing on the regulation.
