

Assembly Bill No. 147–Assemblymen Titus, Carlton, Neal, Kramer, Krasner; Assefa, Benitez-Thompson, Edwards, Ellison, Gorelow, Hafen, Hansen, Hardy, Leavitt, Miller, Munk, Roberts, Spiegel, Tolles and Wheeler

Joint Sponsor: Senator Woodhouse

CHAPTER.....

AN ACT relating to providers of health care; authorizing a physician assistant or advanced practice registered nurse to perform certain services; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires a child who sustains or is suspected of sustaining an injury to the head while participating in a competitive sport or interscholastic activity or event to be immediately removed from the sport, event or activity. The child may return to the sport, event or activity if his or her parent or legal guardian provides a signed statement of a physician, physical therapist, athletic trainer or, for a competitive sport governed by an organization for youth sports other than the Nevada Interscholastic Activities Association, an advanced practice registered nurse indicating that the child is medically cleared for participation in the sport, activity or event. (NRS 385B.080, 392.452, 455A.200) **Sections 1, 4 and 6** of this bill additionally authorize a physician assistant to complete such a statement. **Sections 4 and 6** also authorize an advanced practice registered nurse to complete such a statement for an interscholastic activity or event or a competitive sport governed by the Nevada Interscholastic Activities Association.

Existing law provides that a medical device sold to a governmental entity is exempt from sales tax regardless of whether the governmental entity or the person using the device will hold title to the device if: (1) the device is prescribed by certain providers of health care for use by the person to whom it is prescribed; (2) the device is covered by Medicaid or Medicare; and (3) the purchase of the medical device is made pursuant to a contract between the governmental entity and the seller. (NRS 372.7285, 374.731) **Sections 2 and 3** of this bill provide that a medical device prescribed by a physician assistant is exempt from sales tax under the same conditions as a medical device prescribed by another eligible provider of health care.

Existing law authorizes the parent or legal guardian of a pupil who has asthma, anaphylaxis or diabetes to submit a written request that the public or private school in which the pupil is enrolled allow the pupil to self-administer medication for his or her condition while on the grounds of a school, participating in an activity sponsored by a school or on a school bus. (NRS 392.425, 394.1999) If such a request concerns a pupil enrolled at a public school, the request must include certain documentation from a physician or advanced practice registered nurse. (NRS 392.425) If such a request concerns a pupil enrolled at a private school, such documentation must be completed by a physician. (NRS 394.1999) **Sections 5 and 7** of this bill additionally authorize: (1) a physician assistant to complete such documentation with regard to a pupil enrolled at a public or private school; and (2) an advanced practice registered nurse to complete such documentation with regard to a pupil enrolled at a private school.

The Department of Motor Vehicles is authorized to issue a special license plate, parking placard or parking sticker upon submission of an application that includes a statement from a licensed physician or advanced practice registered nurse that the applicant is a person with a disability. (NRS 482.384) The holder of a special license plate, parking placard or parking sticker may park in a parking space designated for persons who are handicapped. (NRS 484B.467) **Sections 8-11** of this bill additionally authorize a physician assistant to complete the required statement.

Existing law authorizes a physician assistant to perform such medical services as he or she is authorized to perform by his or her supervising physician. (NRS 630.271, 633.432) **Sections 12 and 14** of this bill provide that those medical services may include ordering home health care for a patient. **Section 13** of this bill additionally authorizes an advanced practice registered nurse to order home health care for a patient.

Existing law authorizes a hearing aid specialist or dispensing audiologist to sell hearing aids by catalog, mail or the Internet if the hearing aid specialist or dispensing audiologist has received documentation of certain examinations from a physician or advanced practice registered nurse. (NRS 637B.242) **Section 15** of this bill additionally authorizes a physician assistant to complete such documentation.

Under existing law, a person who applies for employment as a driver of a taxicab must provide a certificate from a physician, advanced practice registered nurse or chiropractic physician stating that the prospective driver meets certain health requirements prescribed in federal regulations. (NRS 706.8842) **Section 16** of this bill additionally authorizes a physician assistant to complete such a certificate.

Section 17 of this bill requires a state and local governmental entity to update any form issued by the entity to conform to the provisions of this bill authorizing a physician assistant or advanced practice registered nurse to perform certain tasks.

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 455A.200 is hereby amended to read as follows:

455A.200 1. Each organization for youth sports that sanctions or sponsors competitive sports for youths in this State shall adopt a policy concerning the prevention and treatment of injuries to the head which may occur during a youth's participation in those competitive sports, including, without limitation, a concussion of the brain. To the extent practicable, the policy must be consistent with the policy adopted by the Nevada Interscholastic Activities Association pursuant to NRS 385B.080. The policy must provide information concerning the nature and risk of injuries to the head which may occur during a youth's participation in competitive sports, including, without limitation, the risks associated with continuing to participate in competitive sports after sustaining such an injury.

2. The policy adopted pursuant to subsection 1 must require that if a youth sustains or is suspected of sustaining an injury to the head while participating in competitive sports, the youth:

(a) Must be immediately removed from the competitive sport; and

(b) May return to the competitive sport if the parent or legal guardian of the youth provides a signed statement of a provider of health care indicating that the youth is medically cleared for participation in the competitive sport and the date on which the youth may return to the competitive sport.

3. Before a youth participates in competitive sports sanctioned or sponsored by an organization for youth sports in this State, the youth and his or her parent or legal guardian:

(a) Must be provided with a copy of the policy adopted pursuant to subsection 1; and

(b) Must sign a statement on a form prescribed by the organization for youth sports acknowledging that the youth and his or her parent or legal guardian have read and understand the terms and conditions of the policy.

Sec. 4. NRS 385B.080 is hereby amended to read as follows:

385B.080 1. The Nevada Interscholastic Activities Association shall adopt a policy concerning the prevention and treatment of injuries to the head which may occur during a pupil's participation in interscholastic activities and events, including, without limitation, a concussion of the brain. The policy must provide information concerning the nature and risk of injuries to the head which may occur during a pupil's participation in interscholastic activities and events, including, without limitation, the risks associated with continuing to participate in the activity or event after sustaining such an injury.

2. The policy adopted pursuant to subsection 1 must require that if a pupil sustains or is suspected of sustaining an injury to the head while participating in an interscholastic activity or event, the pupil:

(a) Must be immediately removed from the activity or event; and

(b) May return to the activity or event if the parent or legal guardian of the pupil provides a signed statement of a provider of health care indicating that the pupil is medically cleared for participation in the activity or event and the date on which the pupil may return to the activity or event.

3. Before a pupil participates in an interscholastic activity or event, and on an annual basis thereafter, the pupil and his or her parent or legal guardian:

(a) Must be provided with a copy of the policy adopted pursuant to subsection 1; and

(b) Must sign a statement on a form prescribed by the Nevada Interscholastic Activities Association acknowledging that the pupil and his or her parent or guardian have read and understand the terms and conditions of the policy.

4. As used in this section, "provider of health care" means a physician *or physician assistant* licensed under chapter 630 or 633 of NRS, *an advanced practice registered nurse licensed under chapter 632 of NRS*, a physical therapist licensed under chapter 640 of NRS or an athletic trainer licensed under chapter 640B of NRS.

Sec. 5. NRS 392.425 is hereby amended to read as follows:

392.425 1. The parent or legal guardian of a pupil who has asthma, anaphylaxis or diabetes may submit a written request to the principal or, if applicable, the school nurse of the public school in which the pupil is enrolled to allow the pupil to self-administer medication for the treatment of the pupil's asthma, anaphylaxis or diabetes while the pupil is on the grounds of a public school, participating in an activity sponsored by a public school or on a school bus.

2. A public school shall establish protocols for containing blood-borne pathogens and the handling and disposal of needles, medical devices and other medical waste and provide a copy of these protocols and procedures to the parent or guardian of a pupil who requests permission for the pupil to self-administer medication pursuant to subsection 1.

3. A written request made pursuant to subsection 1 must include:

(a) A signed statement of a physician , *physician assistant* or advanced practice registered nurse indicating that the pupil has asthma, anaphylaxis or diabetes and is capable of self-administration of the medication while the pupil is on the grounds of a public school, participating in an activity sponsored by a public school or on a school bus;

(b) A written treatment plan prepared by the physician , *physician assistant* or advanced practice registered nurse pursuant to which the pupil will manage his or her asthma, anaphylaxis or diabetes if the pupil experiences an asthmatic attack, anaphylactic shock or diabetic episode while on the grounds of a public school, participating in an activity sponsored by a public school or on a school bus; and

(c) A signed statement of the parent or legal guardian:

(1) Indicating that the parent or legal guardian grants permission for the pupil to self-administer the medication while the pupil is on the grounds of a public school, participating in an activity sponsored by a public school or on a school bus;

(2) Acknowledging that the parent or legal guardian is aware of and understands the provisions of subsections 4 and 5;

(3) Acknowledging the receipt of the protocols provided pursuant to subsection 2;

(4) Acknowledging that the protocols established pursuant to subsection 2 have been explained to the pupil who will self-administer the medication and that he or she has agreed to comply with the protocols; and

(5) Acknowledging that authorization to self-administer medication pursuant to this section may be revoked if the pupil fails to comply with the protocols established pursuant to subsection 2.

4. The provisions of this section do not create a duty for the board of trustees of the school district, the school district, the public school in which the pupil is enrolled, or an employee or agent thereof, that is in addition to those duties otherwise required in the course of service or employment.

5. If a pupil is granted authorization pursuant to this section to self-administer medication, the board of trustees of the school district, the school district and the public school in which the pupil is enrolled, and any employee or agent thereof, are immune from liability for the injury to or death of:

(a) The pupil as a result of self-administration of a medication pursuant to this section or the failure of the pupil to self-administer such a medication; and

(b) Any other person as a result of exposure to or injury caused by needles, medical devices or other medical waste from the self-administration of medication by a pupil pursuant to this section.

6. Upon receipt of a request that complies with subsection 3, the principal or, if applicable, the school nurse of the public school in which a pupil is enrolled shall provide written authorization for the pupil to carry and self-administer medication to treat his or her asthma, anaphylaxis or diabetes while the pupil is on the grounds of a public school, participating in an activity sponsored by a public school or on a school bus. The written authorization must be filed with the principal or, if applicable, the school nurse of the public school in which the pupil is enrolled and must include:

(a) The name and purpose of the medication which the pupil is authorized to self-administer;

(b) The prescribed dosage and the duration of the prescription;

(c) The times or circumstances, or both, during which the medication is required or recommended for self-administration;

(d) The side effects that may occur from an administration of the medication;

(e) The name and telephone number of the pupil's physician , *physician assistant* or advanced practice registered nurse and the name and telephone number of the person to contact in the case of a medical emergency concerning the pupil; and

(f) The procedures for the handling and disposal of needles, medical devices and other medical waste.

7. The written authorization provided pursuant to subsection 6 is valid for 1 school year. If a parent or legal guardian submits a

written request that complies with subsection 3, the principal or, if applicable, the school nurse of the public school in which the pupil is enrolled shall renew and, if necessary, revise the written authorization.

8. If a parent or legal guardian of a pupil who is authorized pursuant to this section to carry medication on his or her person provides to the principal or, if applicable, the school nurse of the public school in which the pupil is enrolled doses of the medication in addition to the dosage that the pupil carries on his or her person, the principal or, if applicable, the school nurse shall ensure that the additional medication is:

(a) Stored on the premises of the public school in a location that is secure; and

(b) Readily available if the pupil experiences an asthmatic attack, anaphylactic shock or diabetic episode during school hours.

9. As used in this section:

(a) “Advanced practice registered nurse” means a registered nurse who holds a valid license as an advanced practice registered nurse issued by the State Board of Nursing pursuant to NRS 632.237.

(b) “Medication” means any medicine prescribed by a physician, *physician assistant* or advanced practice registered nurse for the treatment of anaphylaxis, asthma or diabetes, including, without limitation, asthma inhalers, auto-injectable epinephrine and insulin.

(c) “Physician” means a person who is licensed to practice medicine pursuant to chapter 630 of NRS or osteopathic medicine pursuant to chapter 633 of NRS.

(d) *“Physician assistant” means a person who is licensed as a physician assistant pursuant to chapter 630 or 633 of NRS.*

(e) “Self-administer” means the auto-administration of a medication pursuant to the prescription for the medication or written directions for such a medication.

Sec. 6. NRS 392.452 is hereby amended to read as follows:

392.452 1. For those competitive sports not governed by the Nevada Interscholastic Activities Association pursuant to chapter 385B of NRS, the board of trustees of each school district shall adopt a policy concerning the prevention and treatment of injuries to the head which may occur during a pupil’s participation in competitive sports within the school district, including, without limitation, a concussion of the brain. To the extent practicable, the policy must be consistent with the policy adopted by the Nevada Interscholastic Activities Association pursuant to NRS 385B.080. The policy must provide information concerning the nature and risk

of injuries to the head which may occur during a pupil's participation in competitive sports, including, without limitation, the risks associated with continuing to participate in competitive sports after sustaining such an injury.

2. The policy adopted pursuant to subsection 1 must require that if a pupil sustains or is suspected of sustaining an injury to the head while participating in competitive sports, the pupil:

(a) Must be immediately removed from the competitive sport; and

(b) May return to the competitive sport if the parent or legal guardian of the pupil provides a signed statement of a provider of health care indicating that the pupil is medically cleared for participation in the competitive sport and the date on which the pupil may return to the competitive sport.

3. Before a pupil participates in competitive sports within a school district, and on an annual basis thereafter, the pupil and his or her parent or legal guardian:

(a) Must be provided with a copy of the policy adopted pursuant to subsection 1; and

(b) Must sign a statement on a form prescribed by the board of trustees acknowledging that the pupil and his or her parent or guardian have read and understand the terms and conditions of the policy.

4. As used in this section, "provider of health care" means a physician *or physician assistant* licensed under chapter 630 or 633 of NRS, *an advanced practice registered nurse licensed under chapter 632 of NRS*, a physical therapist licensed under chapter 640 of NRS or an athletic trainer licensed under chapter 640B of NRS.

Sec. 7. NRS 394.1999 is hereby amended to read as follows:

394.1999 1. The parent or legal guardian of a pupil who has asthma, anaphylaxis or diabetes may submit a written request to the principal or, if applicable, the school nurse of the private school in which the pupil is enrolled to allow the pupil to self-administer medication for the treatment of the pupil's asthma, anaphylaxis or diabetes while the pupil is on the grounds of the private school, participating in an activity sponsored by the private school or on a school bus.

2. A private school shall establish protocols for containing blood-borne pathogens and the handling and disposal of needles, medical devices and other medical waste and provide a copy of these protocols and procedures to the parent or guardian of a pupil who requests permission for the pupil to self-administer medication pursuant to subsection 1.

3. A written request made pursuant to subsection 1 must include:

(a) A signed statement of a physician , *physician assistant or advanced practice registered nurse* indicating that the pupil has asthma, anaphylaxis or diabetes and is capable of self-administration of the medication while the pupil is on the grounds of the private school, participating in an activity sponsored by the private school or on a school bus;

(b) A written treatment plan prepared by the physician , *physician assistant or advanced practice registered nurse* pursuant to which the pupil will manage his or her asthma, anaphylaxis or diabetes if the pupil experiences an asthmatic attack, anaphylactic shock or diabetic episode while on the grounds of the private school, participating in an activity sponsored by the private school or on a school bus; and

(c) A signed statement of the parent or legal guardian:

(1) Indicating that the parent or legal guardian grants permission for the pupil to self-administer the medication while the pupil is on the grounds of the private school, participating in an activity sponsored by the private school or on a school bus;

(2) Acknowledging that the parent or legal guardian is aware of and understands the provisions of subsections 4 and 5;

(3) Acknowledging the receipt of the protocols provided pursuant to subsection 2;

(4) Acknowledging that the protocols established pursuant to subsection 2 have been explained to the pupil who will self-administer the medication and that he or she has agreed to comply with the protocols; and

(5) Acknowledging that authorization to self-administer medication pursuant to this section may be revoked if the pupil fails to comply with the protocols established pursuant to subsection 2.

4. The provisions of this section do not create a duty for the private school in which the pupil is enrolled, or an employee or agent thereof, that is in addition to those duties otherwise required in the course of service or employment.

5. If a pupil is granted authorization pursuant to this section to self-administer medication, the governing body of the private school in which the pupil is enrolled, the private school and any employee or agent thereof, are immune from liability for the injury to or death of:

(a) The pupil as a result of self-administration of a medication pursuant to this section or the failure of the pupil to self-administer such a medication; and

(b) Any other person as a result of exposure to or injury caused by needles, medical devices or other medical waste from the self-administration of medication by a pupil pursuant to this section.

6. Upon receipt of a request that complies with subsection 3, the principal or, if applicable, the school nurse of the private school in which the pupil is enrolled shall provide written authorization for the pupil to carry and self-administer medication to treat his or her asthma, anaphylaxis or diabetes while the pupil is on the grounds of the private school, participating in an activity sponsored by the private school or on a school bus. The written authorization must be filed with the principal or, if applicable, the school nurse of the private school in which the pupil is enrolled and must include:

(a) The name and purpose of the medication which the pupil is authorized to self-administer;

(b) The prescribed dosage and the duration of the prescription;

(c) The times or circumstances, or both, during which the medication is required or recommended for self-administration;

(d) The side effects that may occur from an administration of the medication;

(e) The name and telephone number of the pupil's physician , *physician assistant or advanced practice registered nurse* and the name and telephone number of the person to contact in the case of a medical emergency concerning the pupil; and

(f) The procedures for the handling and disposal of needles, medical devices and other medical waste.

7. The written authorization provided pursuant to subsection 6 is valid for 1 school year. If a parent or legal guardian submits a written request that complies with subsection 3, the principal or, if applicable, the school nurse of the private school in which the pupil is enrolled shall renew and, if necessary, revise the written authorization.

8. If a parent or legal guardian of a pupil who is authorized pursuant to this section to carry medication on his or her person provides to the principal or, if applicable, the school nurse of the private school in which the pupil is enrolled doses of the medication in addition to the dosage that the pupil carries on his or her person, the principal or, if applicable, the school nurse shall ensure that the additional medication is:

(a) Stored on the premises of the private school in a location that is secure; and

(b) Readily available if the pupil experiences an asthmatic attack, anaphylactic shock or diabetic episode during school hours.

9. An employee of a private school who willfully violates any provision of this section is guilty of a misdemeanor.

10. As used in this section:

(a) *“Advanced practice registered nurse” has the meaning ascribed to it in NRS 392.425.*

(b) “Medication” has the meaning ascribed to it in NRS 392.425.

~~(b)~~ (c) “Physician” has the meaning ascribed to it in NRS 392.425.

~~(e)~~ (d) *“Physician assistant” has the meaning ascribed to it in NRS 392.425.*

(e) “Self-administer” has the meaning ascribed to it in NRS 392.425.

Sec. 8. NRS 482.3833 is hereby amended to read as follows:

482.3833 “Person with a disability of moderate duration” means a person:

1. With a disability which limits or impairs the ability to walk; and

2. Whose disability has been certified by a licensed physician , *physician assistant* or advanced practice registered nurse as being reversible, but estimated to last longer than 6 months.

Sec. 9. NRS 482.3837 is hereby amended to read as follows:

482.3837 “Person with a permanent disability” means a person:

1. With a disability which limits or impairs the ability to walk; and

2. Whose disability has been certified by a licensed physician , *physician assistant* or advanced practice registered nurse as irreversible.

Sec. 10. NRS 482.3839 is hereby amended to read as follows:

482.3839 “Person with a temporary disability” means a person:

1. With a disability which limits or impairs the ability to walk; and

2. Whose disability has been certified by a licensed physician , *physician assistant* or advanced practice registered nurse as estimated to last not longer than 6 months.

Sec. 11. NRS 482.384 is hereby amended to read as follows:

482.384 1. Upon the application of a person with a permanent disability, the Department may issue special license plates for a vehicle, including a motorcycle or moped, registered by the applicant pursuant to this chapter. The application must include a statement from a licensed physician , *physician assistant* or advanced practice registered nurse certifying that the applicant is a

person with a permanent disability. The issuance of a special license plate to a person with a permanent disability pursuant to this subsection does not preclude the issuance to such a person of a special parking placard for a vehicle other than a motorcycle or moped or a special parking sticker for a motorcycle or moped pursuant to subsection 6.

2. Every year after the initial issuance of special license plates to a person with a permanent disability, the Department shall require the person to renew the special license plates in accordance with the procedures for renewal of registration pursuant to this chapter. The Department shall not require a person with a permanent disability to include with the application for renewal a statement from a licensed physician, *physician assistant* or advanced practice registered nurse certifying that the person is a person with a permanent disability.

3. Upon the application of an organization which provides transportation for a person with a permanent disability, disability of moderate duration or temporary disability, the Department may issue special license plates for a vehicle registered by the organization pursuant to this chapter, or the Department may issue special parking placards to the organization pursuant to this section to be used on vehicles providing transportation to such persons. The application must include a statement from the organization certifying that:

(a) The vehicle for which the special license plates are issued is used primarily to transport persons with permanent disabilities, disabilities of moderate duration or temporary disabilities; or

(b) The organization which is issued the special parking placards will only use such placards on vehicles that actually transport persons with permanent disabilities, disabilities of moderate duration or temporary disabilities.

4. The Department may charge a fee for special license plates issued pursuant to this section not to exceed the fee charged for the issuance of license plates for the same class of vehicle.

5. Special license plates issued pursuant to this section must display the international symbol of access in a color which contrasts with the background and is the same size as the numerals and letters on the plate.

6. Upon the application of a person with a permanent disability or disability of moderate duration, the Department may issue:

(a) A special parking placard for a vehicle other than a motorcycle or moped. Upon request, the Department may issue one additional placard to an applicant to whom special license plates have not been issued pursuant to this section.

(b) A special parking sticker for a motorcycle or moped.

→ The application must include a statement from a licensed physician, *physician assistant* or advanced practice registered nurse certifying that the applicant is a person with a permanent disability or disability of moderate duration.

7. A special parking placard issued pursuant to subsection 6 must:

(a) Have inscribed on it the international symbol of access which is at least 3 inches in height, is centered on the placard and is white on a blue background;

(b) Have an identification number and date of expiration of:

(1) If the special parking placard is issued to a person with a permanent disability, 10 years after the initial date of issuance; or

(2) If the special parking placard is issued to a person with a disability of moderate duration, 2 years after the initial date of issuance;

(c) Have placed or inscribed on it the seal or other identification of the Department; and

(d) Have a form of attachment which enables a person using the placard to display the placard from the rearview mirror of the vehicle.

8. A special parking sticker issued pursuant to subsection 6 must:

(a) Have inscribed on it the international symbol of access which complies with any applicable federal standards, is centered on the sticker and is white on a blue background;

(b) Have an identification number and a date of expiration of:

(1) If the special parking sticker is issued to a person with a permanent disability, 10 years after the initial date of issuance; or

(2) If the special parking sticker is issued to a person with a disability of moderate duration, 2 years after the initial date of issuance; and

(c) Have placed or inscribed on it the seal or other identification of the Department.

9. Before the date of expiration of a special parking placard or special parking sticker issued to a person with a permanent disability or disability of moderate duration, the person shall renew the special parking placard or special parking sticker. If the applicant for renewal is a person with a disability of moderate duration, the applicant must include with the application for renewal a statement from a licensed physician, *physician assistant* or advanced practice registered nurse certifying that the applicant is a person with a disability which limits or impairs the ability to walk,

and that such disability, although not irreversible, is estimated to last longer than 6 months. A person with a permanent disability is not required to submit evidence of a continuing disability with the application for renewal.

10. The Department, or a city or county, may issue, and charge a reasonable fee for, a temporary parking placard for a vehicle other than a motorcycle or moped or a temporary parking sticker for a motorcycle or moped upon the application of a person with a temporary disability. Upon request, the Department, city or county may issue one additional temporary parking placard to an applicant. The application must include a certificate from a licensed physician , *physician assistant* or advanced practice registered nurse indicating:

- (a) That the applicant has a temporary disability; and
- (b) The estimated period of the disability.

11. A temporary parking placard issued pursuant to subsection 10 must:

- (a) Have inscribed on it the international symbol of access which is at least 3 inches in height, is centered on the placard and is white on a red background;
- (b) Have an identification number and a date of expiration; and
- (c) Have a form of attachment which enables a person using the placard to display the placard from the rearview mirror of the vehicle.

12. A temporary parking sticker issued pursuant to subsection 10 must:

- (a) Have inscribed on it the international symbol of access which is at least 3 inches in height, is centered on the sticker and is white on a red background; and
- (b) Have an identification number and a date of expiration.

13. A temporary parking placard or temporary parking sticker is valid only for the period for which a physician , *physician assistant* or advanced practice registered nurse has certified the disability, but in no case longer than 6 months. If the temporary disability continues after the period for which the physician , *physician assistant* or advanced practice registered nurse has certified the disability, the person with the temporary disability must renew the temporary parking placard or temporary parking sticker before the temporary parking placard or temporary parking sticker expires. The person with the temporary disability shall include with the application for renewal a statement from a licensed physician , *physician assistant* or advanced practice registered nurse certifying

that the applicant continues to be a person with a temporary disability and the estimated period of the disability.

14. A special or temporary parking placard must be displayed in the vehicle when the vehicle is parked by hanging or attaching the placard to the rearview mirror of the vehicle. If the vehicle has no rearview mirror, the placard must be placed on the dashboard of the vehicle in such a manner that the placard can easily be seen from outside the vehicle when the vehicle is parked.

15. Upon issuing a special license plate pursuant to subsection 1, a special or temporary parking placard, or a special or temporary parking sticker, the Department, or the city or county, if applicable, shall issue a letter to the applicant that sets forth the name and address of the person with a permanent disability, disability of moderate duration or temporary disability to whom the special license plate, special or temporary parking placard or special or temporary parking sticker has been issued and:

(a) If the person receives special license plates, the license plate number designated for the plates; and

(b) If the person receives a special or temporary parking placard or a special or temporary parking sticker, the identification number and date of expiration indicated on the placard or sticker.

➤ The letter, or a legible copy thereof, must be kept with the vehicle for which the special license plate has been issued or in which the person to whom the special or temporary parking placard or special or temporary parking sticker has been issued is driving or is a passenger.

16. A special or temporary parking sticker must be affixed to the windscreen of the motorcycle or moped. If the motorcycle or moped has no windscreen, the sticker must be affixed to any other part of the motorcycle or moped which may be easily seen when the motorcycle or moped is parked.

17. Special or temporary parking placards, special or temporary parking stickers, or special license plates issued pursuant to this section do not authorize parking in any area on a highway where parking is prohibited by law.

18. No person, other than the person certified as being a person with a permanent disability, disability of moderate duration or temporary disability, or a person actually transporting such a person, may use the special license plate or plates or a special or temporary parking placard, or a special or temporary parking sticker issued pursuant to this section to obtain any special parking privileges available pursuant to this section.

19. Any person who violates the provisions of subsection 18 is guilty of a misdemeanor.

20. The Department may review the eligibility of each holder of a special parking placard, a special parking sticker or special license plates, or any combination thereof. Upon a determination of ineligibility by the Department, the holder shall surrender the special parking placard, special parking sticker or special license plates, or any combination thereof, to the Department.

21. The Department may adopt such regulations as are necessary to carry out the provisions of this section.
